

# The power of integration

SAVE TIME, SAVE MONEY, AND IMPROVE CONSISTENCY

Field Nation offers a seamless workflow with [pre-built integrations](#) for your existing systems, enabling greater scale and efficiency for your organization. Enhance your dispatching team's daily operations by connecting your field service delivery system to the **#1 labor marketplace for IT field service**.

## According to a leading research firm, Field Nation customers realize:

**25%**

25% time savings in vetting and dispatching

**15min**

15 minutes saved per work order

**10%**

10% time savings on cost tracking for back office staff

"Before using the Field Nation-Salesforce integration, our team had to 'swivel' between platforms. This meant double the work and was definitely not optimal. The integration has saved time and allowed us to provide clients with real-time updates on project status, which is critical for our business."

Jason Gay, VP of Service Solutions & Engineering | [Pivotal](#)

## 6 key benefits of connecting your ticketing system

- ✓ Gain confidence in the progress of every job
- ✓ Reduce data entry errors
- ✓ Eliminate swivel chair
- ✓ Increase visibility into workflow and/or potential issues
- ✓ Seize new opportunities quickly
- ✓ Rapidly scale to support increased volume

## Transform your dispatch capabilities

**\$50M**

Nearly \$50 million worth of on-site IT field service work is enabled annually through Field Nation integrations

**83K+**

83K+ jobs posted annually with Field Nation integrations

"Working directly with techs in the field, I liked that the platform integrated with ours making it easier for deliverable approval, check ins/outs, etc. Now that I'm a Project Manager, I use Field Nation on a regular basis to staff jobs that we have a hard time staffing with regular technicians."

Chris Fitch | [Bailiwick](#)

## Simplify your workflow

"We're shaving minutes off of work orders, and when you're doing hundreds a day that saves a ton of time."

Bill Wood

Director of Field Services | [ReSource POS](#)

## Connect your business

Connect your business with an API or webhooks, or a pre-built middleware solution for systems, such as:

"I love being able to integrate with Connectwise. We are able to support nationwide much easier—the benefits of automation have been amazing!"

Tony Cook | [CCR](#)

## Top-rated labor marketplace
